

Garden Waterer

Bedford Borough Libraries Role Profile

Description

Putnoe Library's garden is an attractive, colourful space for customers to enjoy whilst using our library.

The garden is mainly laid to grass but there are flower beds and pots and containers which need someone to water them. The library has garden furniture for customers and staff to use and the garden is a real suntrap in which to enjoy a book or chat with friends. Several events are also held outside during the year.
