

Make a

# Bumble Bee Wristband

You will need:

- A piece of yellow card
- A piece of black card
- A piece of other coloured card
- Googly eyes or eye stickers
- A cup to draw around
- Glue
- Scissors
- Ruler
- Pencil

1. Place the cup onto the black card and draw around it to make a circle.

2. Using your scissors, cut out the circle - this will be the body of the bee.

3. Take the yellow card and cut out four thin strips.

4. Glue the yellow card strips onto the black circle to make the bumble bee stripes. Trim any pieces that are too long.

5. Place the cup onto the black card and draw around it to make another circle.

6. Using your scissors, cut out the circle, then cut it in half to make 2 semi-circles.

7. Glue the black semi-circles onto each side of the bumble bee's body to make the wings.

8. Taking the other coloured card (we chose green), cut out a long strip measuring 5cm wide.

9. Glue the strip into a loop which is big enough to go over your hand and wrist.

10. Draw some eyes, cut out and stick to your bee's head or, if you have any, use googly eyes or eye stickers.
